New office bearers of the Order of Physicians of Albania

Dear Dr Brahimaj and Dr Trepca,

On behalf of the German Medical Association I would like to extend my warmest congratulations to both of you on your respective appointments to the positions of President and Vice President of the Order of Physicians of Albania. I wish you both a highly fulfilling and successful term in office.

I would also like to take this opportunity to express our sincere desire to continue nurturing the constructive partnership our two institutions have developed in recent years, both on a bilateral basis and in the global health community.

We look forward to congratulating you in person at the German Medical Assembly in Frankfurt and to continuing our preparations for a productive ZEVA Symposium in September.

Best regards,

Prof. Dr Frank Ulrich Montgomery
President, German Medical Association
